

Business Process Engineer (all genders)

Vienna

experienced

full-time

all genders

immediate start

Process- & Project Management

Your Tasks

- Standardising and optimising holding company processes (particularly related to finance, risk and data) with the aim of boosting efficiency and minimising risks
- Enhancing transparency and clarity in the performance and methodological support for process and process portfolio analysis for the holding company and the Group companies
- Finding and presenting solutions for intelligent automation of the analysed business processes
- Promoting sharing of experience
- Actively supporting communities at the Group companies and VIG Holding to promote sharing of best practice, success stories and challenges related to process management

MORE ABOUT THE DEPARTMENT

Your Benefits

Your Profile

- Degree in a related subject
- In-depth knowledge and several years' experience of BPM and ARIS (or a similar tool) an advantage
- Experience of process automation projects, RPA and the use of artificial intelligence an advantage
- Exceptional analytical mindset, and a structured, independent and results-driven approach to work
- Reliable and highly resilient
- Very good German and good English skills (written and spoken)

Based on the legal requirements, we inform about the monthly minimum salary according to the collective agreement of EUR 2 888,03 gross on the basis of full-time employment (37.5 hours / week). Of course, the remuneration package is market-compliant. It is important to us that your salary is based on your qualifications and experience, therefore we will discuss the salary together in a personal interview.

Vienna Insurance Group is the leading insurance group in Central and Eastern Europe (CEE). With around 30,000 employees in more than 50 insurance companies and pension funds in 30 countries, we work for around 33 million customers every day. We do this successfully, which is why VIG Group has an "A+" rating with a stable outlook. We are characterized by commitment, competence and service orientation on the one hand, and a diverse team with different talents and exciting areas of work in an inclusive environment on the other. We stand for diversity and respect, which is why we see it as enriching to employ people from different backgrounds, ages, genders, sexual orientations, religions and abilities. Become part of our diversity!
