[MORE ABOUT THE DEPARTMENT](#)

## Your Benefits

## Your Profile

- Strong programming skills, preferably in ABAP/ABAP Objects
- Experience with SAP IS-Insurance (SAP insurance solution) is an advantage
- Solid knowledge of object-oriented software development
- Familiarity with SAP Workflow is a plus
- Proactive and independent working style, team player, and a strong sense of responsibility
- Excellent communication skills in English; German is advantageous, and knowledge of additional CEE languages is beneficial
- Willingness to travel in CEE-Region (up to 25%)

The annual gross salary (full-time) for the position is at least € 65.000,-. Do you have extensive experience and expertise? If so, we're happy to offer a salary above this amount in recognition of your qualifications.

Vienna Insurance Group is the leading insurance group in Central and Eastern Europe (CEE). With around 30,000 employees in more than 50 insurance companies and pension funds in 30 countries, we work for around 33 million customers every day. We do this successfully, which is why VIG Group has an “A+” rating with a stable outlook. We are characterized by commitment, competence and service orientation on the one hand, and a diverse team with different talents and exciting areas of work in an inclusive environment on the other. We stand for diversity and respect, which is why we see it as enriching to employ people from different backgrounds, ages, genders, sexual orientations, religions and abilities. Become part of our diversity!
